Dear Theatre Patron,

Sometimes I need to pinch myself when I realize we're going into our ninth season. Theatre by the Bay has been successful with the outstanding support we have had from the community on all levels. Theatre by the Bay has earned a reputation for producing outstanding professional theatre at affordable prices. We have presented nationally reviewed and critically acclaimed productions and have entertained thousands.

Putting together a season involves a great deal of costs, as we have to raise over \$200,000 each year. This goes towards paying our staff, creative team, actors, sets, costumes and the list goes on. As a non-profit organization with charitable status, Theatre by the Bay is dependent upon individuals' financial support so that together we can continue to bring season after season of professional, high quality theatrical productions to Barrie. This is why we are looking to you to become a member of Theatre by the Bay. Your membership also helps sustain the local economy as we strive to hire performers and technical staff from in and around the Barrie area, increasing job opportunities in the region. Furthermore, with your donation, we can present exceptional theatrical productions that increase the volume of visitors to Barrie, positively impacting the region's tourism and service industries. However, by becoming a member you go beyond making a difference just in the Barrie area; your membership works to support the vision of Canadian directors, performers, designers and writers, which strengthens the calibre of the arts in our nation.

Membership benefits include ticket exchange privileges, pre-sale opportunities, a subscription to the official biannual Newsletter, a charitable tax receipt and an invitation to our Membership Reception. As a member, you will also receive acknowledgement in our program where over 4,000 people will see your name on our member list.

With the help from people like you, who have a belief in bringing live theatre to Barrie, we can continue to make a difference in the community, in the local economy and nourish a love for the arts. Together we can keep the dream alive.

Our deadline to become a member is Friday, July 23rd and I ask that you take time to help towards a worthy cause. Thanks you for supporting the arts.
