THE INDIE PRODUCER'S CO-OP RETURNS FOR ITS SEVENTH YEAR!

Isaac Pilozo and Sabrina Weinstein will be the 2021 Indie Producers.

Barrie, ON. Theatre by the Bay's Indie Producer's Co-op is a six-week placement providing two George Brown students the opportunity to gain training in producing professional-level theatre. Isaac and Sabrina will receive instruction from Artistic Director Iain Moggach and gain insight into running a theatre company, organizing fundraisers, grant-writing, and sponsorship outreach, while supporting TBTB's 2021 season. TBTB is thrilled to welcome Isaac and Sabrina and looks forward to seeing their skills develop throughout their placement.

Isaac Pilozo (He/Him)

Isaac is a Toronto-based actor and director. He is a graduating student from the University of Toronto - St. George Campus with a major in Performance Acting and double minors in English and Equity Studies. Select acting credits from UofT's Centre for Drama, Theatre, and Performance Studies include Laertes (*Hamlet*), Macbeth (*Macbeth*), and as Puck, Peter Quince, and Philostrate (*A Midsummer Night's Dream*). Isaac has also held directing roles within his time as an undergraduate student. As a queer person of colour, Isaac hopes to create art which will inspire current and future generations of young queer/BIPOC artists to work toward creating healing and impactful stories with authentic representation, and which celebrate the experience of queerness and being a person of colour unapologetically.

Sabrina Weinstein (She/Her)

Sabrina Weinstein is a producer, director and actor. She is finishing her fourth year of study at the University of Toronto's Centre for Drama Theatre and Performance Studies. She has been working as a producer for the past two years, Executive Producing at The UC Follies Theatre Company, as well as co-founding and producing for Quirky Cabaret - a non-for-profit sketch comedy theatre company. She has been producing theatre both in-person and digitally - from brick and mortar theatres and unconventional spaces, to Zoom and Spotify. Sabrina is ready to start a career in producing, hoping to one day found and produce for her own Shadow-Cast theatre company.

The indie Producer's Co-op could not be possible without support from the Ontario Trillium Foundation, the City of Barrie, and the Members of Theatre by the Bay.
